Why Choose Us?

Delivering the Best to Your Table

Choosing a local Essex web design team like Unified Web Services means faster turnaround times, real conversations, and a deep understanding of your local market.

Our SEO-ready websites are optimised to appear in "near me" searches, driving more local traffic, enquiries, and real customers – from Basildon to Chelmsford and beyond.

We specialise in bespoke website design, WordPress development, SEO, and digital marketing to ensure your brand stands out. So, what's the cost of getting a new website in Essex? Our packages are flexible, with pricing typically ranging from £650 to £2,499 depending on your specific needs.

Success Rate 90%

What Our Clients Say

The training helped me unlock my creative talent and back it up with technical know-how. I've since grown into a lead designer role, delivering projects for top-tier clients.
